

HATCH SKYSCREEN

- Hatch skyscreen is composed of an Aluminum 6061T5 frame, with rollers to choose between 2 cover options: a full fabric or a full insect screen cover.
- The fabric side is waterproof, blocks insects, and has 80% heat reflective properties.
- The insect screen will give maximum ventilation while preventing bugs and mosquitoes for entering the cabin.
- The dimensions follow standard Man Ship Frigate Hinge, Low Profile, and standard Deck Hatches, including some special dimensions.
